Is that okay to keep? Here's what I have for the paper. I may just send to Sarah and Douglas in the interest of time?

Thanks Mai,

I tried to put my thoughts in the paper, but happy to talk if that would be helpful.

Thanks, Kimi

Hi all,

Douglas has asked that we finish this paper up in order that he can share with Darcy before tomorrow's briefing. Would it be possible to finalize the deference points we make in the next couple of hours, and try to get a final paper by 1:00 PM today?

Thanks,  
Everett

Thanks again everyone. I'm including Mike here too so that he can take a look at the revised cultural resources impacts section in the paper. Mike—you should be able to access the revised link below, but please let us know if you can't access. This is re. the Part I briefing for Darcy tomorrow morning.

Lucita - my day is jam packed so I won't have a chance to pick this up until later this afternoon. Could you review first and I'll try to take a look around 2?

Thanks.  
Brian

It's late and I'm out of steam. I did my best to consolidate and revise the Part 1 briefing paper using my notes from our meeting with Sarah and Douglas. Lucita and Brian, can you take a look and make sure it even makes sense to spend any time on the format? If it does, I'd ask that you send to everyone else. It's going to need some work to flesh out where I was fuzzy on stuff, explain legal risks, etc.

Thanks  
Everett
